Annunciation

Shelter - in - place and grow your Catholic faith

We are living in unprecedented times and writing the lines of history. You might recall sitting and hearing your grandparents, possibly parents, telling you stories from their times. My friends - these are our times - a time where unknowns are what is known.

There is always one constant, no matter who fails you in this life, who hurts you, dismisses you... God is always here! He is calling to each and every one of us – do you hear Him? God desires for us to seek-find-trust Him! Are you?

It is auspicious to realize the vast majority of people are home - in their houses – eating - cleaning – living - probably arguing and loving! These moments are perfect for you to begin, renew, or deepen your Catholic life and bring you further on the journey! – The journey to the heart of this Good, Good, Father.

You are in our prayers and offerings of sacrifice. Caroline, Fr. Mark & Fr. Brett
