**THANK YOU – From Sister Simona:** Thank you and all the wonderful people home who prayed for me during my illness. At the beginning of December I had recovered from surgery and was making plans to return to OSF St. Anthony in Rockford, IL to work in pastoral care. But God had other plans for me. St. Frances Convent in Alton, IL, where I had been recovering was struck with COVID-19 and of the 59 sisters living there 35 came down with the virus. I was one of the twenty or so sisters who did not come down with the virus. So it was my time to give back for all the good that had been given to me and serve the sisters with COVID-19. May God bless you and everyone who prayed for my recovery. All your prayers were put to good use. ---Sister M. Simona

*Behold, the Lamb of God, who takes away the sin of the world!* We hear these words at every Mass, but do we truly understand what they mean?

The word *Behold*, is quite a profound word that intends for us to take notice and listen. The next few words are quite profound too, *the Lamb of God*, this tells us that a sacrifice is about to occur (lambs were offered as sacrifice to God for sins.) This sacrificial lamb is the second person of the Holy Trinity – Jesus – who is the True Lamb who offers himself for ALL humanity. This Holy Sacrifice truly takes away *the sin of the world!* Stop here and let that sink in...*the sin of the world – the sins that are yours...* Those sins that are – materialistic – worldly – prideful – rude – selfish – etc. Do you need these sins (and others) to be taken away? Have you been to Reconciliation? Are you receiving this Holy Sacrifice worthily? *Behold, the Lamb of God, who takes away the sin of the world!* Journey onward following the Lamb of God who takes away your sins so you can Behold a Life of Love – a Life Eternal!

**DIOCESE OF BELLEVILLE: WHAT DO TIER 3 MITIGATIONS MEAN FOR OUR PARISHES AND SCHOOLS?**

As of now, the Catholic Conference of Illinois advises that parishes and Catholic schools are permitted to continue in-person worship and learning, even under the Tier 3 requirements that go into effect on Friday, November 20, 2020. This presumes that our parishes are diligently

complying with current protocols and schools are operating under approved COVID-19 prevention plans.

Reopening protocols are available at [www.diobelle.org](http://www.diobelle.org). Key components of these protocols that must be followed include:  
\*\*Limit attendance to 20% of church capacity or 100 worshippers, whichever is smaller  
\*\*Register worshippers and maintain attendance records to assist in contact tracing  
\*\*Ask screening questions before admittance  
\*\*Wear well-fitted face masks that always cover the mouth and nose  
\*\*Sanitize hands when entering the building and before receiving Holy Communion  
\*\* Always maintain social distancing of at least six feet

\*\*Sanitize pews and commonly touched surfaces between Masses/services

We encourage everyone to dedicate themselves to these precautions as a work of charity and mercy that we do for love of our neighbors.

Those who have elevated health risks should consider staying home and participating online or by watching Mass on television.

If you have any symptoms or have been exposed to someone who likely has COVID-19, please worship from home and be especially cautious.

Remember, during this pandemic, the obligation to attend Sunday Mass is dispensed. It is not a sin to miss Mass if we do so because of a concern about contracting or spreading the corona virus.

Please pray daily and diligently for an end to this pandemic.

A special word about weddings and funerals. Although funerals are specifically mentioned in the Tier 3 mitigation guidelines, funeral Masses and funeral liturgies in church buildings can operate under our protocols for Mass. The 20 percent occupancy rule (maximum of 100 people) applies

to any act of public worship. Please follow all the other protocols, including the presence of sufficient staff or volunteers to screen and usher the worshippers, sanitize commonly touched surfaces, etc.

Special care should be taken to maintain social distancing before and after the funeral liturgy, as people enter and leave the church building. Gatherings such as wakes are subject to Tier 3 mitigation limits on gatherings (10 family members) and are not advised at this time. This same guideline applies to weddings.

#### Listening, Discerning and Watching, Coming, Seeing, Finding.

These words ending in -ing in the first and gospel readings indicate some continuing action. They point out good Christian behaviors as we start this winter time between the seasons of Christmas and Lent. Like Samuel, we want to be always listening for God's voice, even while needing the help of another for discerning it. Like the Baptist, we want to be watching for Jesus moving among us, looking for his activity in surprising ways in our midst and, perhaps, the surprising people around us.

- How am I coming closer to Jesus day by day, week by week?
- How am I seeing Jesus active in our world?
- How am I finding myself following Jesus without question?
